## LATEST PERFORMANCE UPDATE ON COHEN VETERANS NETWORK (November 2, 2018)

### *Current results across the network:*

- Steven A. Cohen Military Clinics have treated **more than 8,300 clients** across the country from April 2016 to date.
- The network is treating the **entire military family** as 43% of our clients are non-veterans. We are treating parents, siblings, spouses or partners, children, caretakers, and others.
- Among all of our clients, **women represent 47% of the population**. Among just veteran clients, **women make up 27%** of the group. This percentage is two times the size of the female veteran population in the United States.
  - The average age of our male veteran clients is 42, the average age of our female veterans is 39.

The Cohen Veterans Network is a **not-for-profit philanthropic organization** which publicly launched in April of 2016. The network currently has 10 [Steven A. Cohen Military Family Clinics](#) in operation: Dallas, San Antonio, El Paso, and Killeen in Texas, as well as Fayetteville NC, Washington DC, Philadelphia, New York, Denver, and Clarksville TN. The next Cohen Clinic to open will be Tacoma, WA by the end of 2018.

Each Cohen Clinic is focused on saving lives, families, and futures by providing **accessible, customized, outpatient mental health care** to veterans and military families.

### *Recent client satisfaction scores:*

- Among clients surveyed, 95% reported after treatment that they could now **“effectively deal with my problems,”** while 96% would **recommend our clinics** to a veteran, family member, or friend.
- The vast majority (95%) of CVN clients report **“getting a first appointment as soon as they wanted it.”**
