

The Latest on Cohen Veterans Network (Nov. 4, 2019)

The Cohen Veterans Network is a **not-for-profit philanthropic organization** which publicly launched in April of 2016. View the current map of 14 [Steven A. Cohen Military Family Clinics](#).

Current results across the network:

- Cohen Clinics have treated **more than 13,500 clients** across the country from April 2016 to date.
- The network is treating the **entire military family - 45% of our clients are non-veterans**. We are treating parents, siblings, spouses or partners, children, caretakers, and others.
- Among all of our clients, **women represent 49% of the population**. Among just veteran clients, **women make up 28%** of the group. This percentage is more than two times the size of the female veteran population in the United States.
- The network is delivering care via **Telehealth**, face-to-face video therapy. **Currently 13% of active clients** have received at least one session of care via Telehealth.

Each Cohen Clinic is focused on saving lives, families, and futures by providing **accessible, outpatient mental health care** services to veterans and military families.

Recent client satisfaction scores:

- Among clients surveyed, 96% would **recommend our clinics** to a veteran, family member, or friend.
- The vast majority (94%) of CVN clients surveyed report “getting a **first appointment as soon as they wanted it.**”
