

The Latest on Cohen Veterans Network *(August 4, 2020)*

Cohen Veterans Network is a **not-for-profit philanthropic organization** which publicly launched in April of 2016. View the current map of 16 [Steven A. Cohen Military Family Clinics](#).

Clinics without walls

Nearly all mental healthcare being delivered through the COVID-19 outbreak has been online via [CVN Telehealth](#), face-to-face video therapy.

- Telehealth sessions for the week ending July 31: **1,505**, which was **95% of all care**.
- More **than 29,000 telehealth sessions** have been delivered to date in 2020.

Current results across the network

- Cohen Clinics have treated **more than 18,500 clients** across the country from April 2016 to date.
- Among all clients, **women represent 50% of the population**. Among just veteran clients, **women make up 29%** of the group. This percentage is **more than two times** the size of the female veteran population in the United States.
- The network is treating the **entire military family: 47% of our clients are non-veterans**. We are treating parents, siblings, spouses or partners, children, caretakers, and others.

Additional Resources

- [CVN Media Center](#): Expanded CVN Frontline markets; new Cohen Clinics coming to Lawton, OK and Jacksonville, NC.
- [CVN Frontline](#): No-Cost mental health services to frontline healthcare providers, first responders, and their adult family members, in select cities in response to COVID-19.
- [CVN Presents](#): Virtual Community Room featuring a variety of workshops, seminars, and partner gatherings to replace in-person opportunities.
- [Pulse Surveys](#): Snapshots of the mindset of Americans surrounding mental health during the pandemic, with deep dives into the perspectives of veterans, active-duty and their families, as well as frontline healthcare providers and first responders.

ABOUT CVN

Our Steven A. Cohen Military Family Clinics treat a variety of mental health issues including depression, anxiety, post-traumatic stress, adjustment issues, anger, grief and loss, family issues, transition challenges, relationship problems, and children's behavioral problems. The high-quality care is confidential and accessible.
