The Latest on Cohen Veterans Network (January 12, 2021)

Cohen Veterans Network is a **not-for-profit philanthropic organization** which publicly launched in April of 2016. View the current map of 19 [Steven A. Cohen Military Family Clinics](https://www.cohenveteransnetwork.org/)

**Current results across the network**

- Cohen Clinics have delivered care to **more than 21,500 clients** across the country from April 2016 to date.
- The network is treating the **entire military family**: **46% of our clients are non-veterans**. We are treating parents, siblings, spouses or partners, children, caretakers, and others. **54% of all clients are veterans**.
- Among all clients, **women represent 51% of the population**. Among just veteran clients, **women make up 28%** of the group. This percentage is **more than two times** the size of the female veteran population in the United States.

**Clinics without walls**

Nearly all mental healthcare being delivered through the COVID-19 outbreak has been online via [CVN Telehealth](https://www.cohenveteransnetwork.org/telehealth), face-to-face video therapy.

- Telehealth sessions for the week ending January 8: 1,238, which was **96% of all care**.
- More than **65,000 telehealth sessions** were delivered in 2020.

**Additional Resources**

- **CVN Presents**: Virtual Community Room featuring a variety of workshops, seminars, and partner gatherings to replace in-person opportunities.
- **Pulse Surveys**: Snapshots of the mindset of Americans surrounding mental health during the pandemic, with deep dives into the perspectives of veterans, active-duty and their families, as well as frontline healthcare providers and first responders.
- **Media Center**: Additional releases and info sheets.

**ABOUT CVN**

Our Steven A. Cohen Military Family Clinics treat a variety of mental health issues including depression, anxiety, post-traumatic stress, adjustment issues, anger, grief and loss, family issues, transition challenges, relationship problems, and children’s behavioral problems. The high-quality care is confidential and accessible.
