

The Latest on Cohen Veterans Network *(March 10, 2021)*

Cohen Veterans Network is a **not-for-profit philanthropic organization** which publicly launched in April of 2016. View the current map of 19 [Steven A. Cohen Military Family Clinics](#).

Current results across the network

- Cohen Clinics have delivered care to **more than 23,000 clients** across the country from April 2016 to date.
- The network is treating the **entire military family: 48% of our clients are non-veterans**. We are treating parents, siblings, spouses or partners, children, caretakers, and others. **52% of all clients are veterans or active duty**.
- Among all clients, women represent 51% of the population. Among just veteran clients, **women make up 29%** of the group. This percentage is **more than two times** the size of the female veteran population in the United States.

Clinics without walls

Nearly all mental healthcare being delivered through the COVID-19 outbreak has been online via [CVN Telehealth](#), face-to-face video therapy.

- Telehealth sessions for the **week ending March 5: 2,141**, which was **97% of all care**.
- To date in 2021, we have **delivered 13,826 telehealth sessions** (97% of all care).
- More **than 65,000 telehealth sessions** were delivered in 2020.

Additional Resources

- [CVN Presents](#): Virtual Community Room featuring a variety of workshops, seminars, and partner gatherings to replace in-person opportunities.
- [Pulse Surveys](#): Snapshots of the mindset of Americans surrounding mental health during the pandemic, with deep dives into the perspectives of veterans, active-duty and their families, as well as frontline healthcare providers and first responders.
- [Media Center](#): Additional releases and info sheets.

ABOUT CVN

Our Steven A. Cohen Military Family Clinics treat a variety of mental health issues including depression, anxiety, post-traumatic stress, adjustment issues, anger, grief and loss, family issues, transition challenges, relationship problems, and children's behavioral problems. The high-quality care is confidential and accessible.
