

The Latest on Cohen Veterans Network *(September 14, 2021)*

Cohen Veterans Network is a **not-for-profit philanthropic organization** which publicly launched in April of 2016. View the current map of 19 [Steven A. Cohen Military Family Clinics](#).

Current results across the network

- Cohen Clinics have delivered care to over **25,000 clients** across the country from April 2016 to date.
- The network is treating the **entire military family: 48% of our clients are non-veterans**. We are treating parents, siblings, spouses or partners, children, caretakers, and others. **52% of all clients are veterans or active duty**.
- Among all clients, women represent 51% of the population. Among just veteran clients, **women make up 29%** of the group. This percentage is **more than two times** the size of the female veteran population in the United States.

Clinics without walls

Nearly all mental healthcare being delivered through the COVID-19 outbreak has been online via [CVN Telehealth](#), face-to-face video therapy.

- Telehealth sessions for the **week ending September 10: 1,257** which was **79% of all care**.
- To date in 2021, we have **delivered 52,726 telehealth sessions** (90% of all care).
- More **than 65,000 telehealth sessions** were delivered in 2020.

Additional Resources

- [CVN Presents](#): Virtual Community Room featuring a variety of workshops, seminars, and partner gatherings to replace in-person opportunities.
- [America's Mental Health Pulse Surveys](#): Snapshots of the mindset of Americans surrounding mental health during the pandemic, with deep dives into the perspectives of veterans, active duty and their families, as well as frontline healthcare providers and first responders.
- [Media Center](#): Additional releases and info sheets.

ABOUT CVN

Our Steven A. Cohen Military Family Clinics treat a variety of mental health challenges including depression, anxiety, post-traumatic stress, adjustment issues, anger, grief and loss, family issues, transition challenges, relationship problems, and children's behavioral problems.
